

SCHOLARSHIP REQUEST FORM

First priority for scholarships will be given to church members. Every student desiring a scholarship must complete a Scholarship Request Form. Sacrifices on the part of the student and his/her family to pay for the costs are expected before a scholarship is requested. Scholarships are used when no other means exist. The amount of the scholarship will be determined by the amount the student pays and availability of monies.

Forms for scholarships should be turned in to Nate or Karen in the Education Office at least two weeks prior to the event. Students requesting scholarships should contact Nate for application approval.
